Enc. I have the honor to reply to the communication of Major S. B. Brown
by your direction dated February 10th 1864 and send accompanying this the duplicate
of the vouchers which have been adjusted to in the 2^d Auditors Office. I trust the
adjustments & make them will prove satisfactory.

In regard to the employment of Citizen Duke, Butcher & Messenger I have to inform
you that my clerk ~~Butcher~~ was not subject to conscription although some having
voluntarily joined the Army, and the amount paid him was not a fair compensation
for the amount of business performed by him, and the amount paid him I did not
consider much in view of the expense of a detail man, he having taken of a himself
the Butcher employed by me as Slave, and employed them by Order of Major
J. G. Walker then Chief Substitutor thereby leaving all business done in the field
and as is the case with the clerk, the amount paid them in an average is not
equal to the expense of detail soldiers. A messenger in this department is actually
unemployed, and by a War Order published in this Army some time since a Division Order
is allowed two Mounted men, but in order to allow the Mounted men to perform
their duties, I employed my own men furnished him, at \$20⁰⁰ per month
and made him do all the business of two men, which I was allowed to keep, and
at the same time the amount charged the Government for his services there, was
not equal to the monthly pay of one Mounted soldier. Therefore I trust on
consideration these amounts will be allowed to pay to my credit.

The war in substitution of 2^d against myself in order to Office Dec 1862.
I have charged myself with same in the month of April last, and appear
in my monthly statement for that month. The case at the Commissary Court,
prohibiting the sale of Coffee (except to Sick in Hospital) after the 1st July
1862. This was reversed.

Recommendations —
From Steam Boat Companies
for Appointment as
Collector at Vicksburg Miss

To the Honorable

~~and~~ Menninger

Secretary of the Treasury

Montgomery, Ala. -

The undersigned, Captains, Owners & Agents of Steam Boats navigating the Mississippi river, respectfully recommend B. J. Butler, as well qualified for the Collectorship of the Port of Vicksburg, Miss^{is}.

Mr Butler is the Proprietor of a commodious Wharf Boat at Vicksburg, at which, all Steam Boat land - and any business with the Custom House, could be much more conveniently transacted by Boats, at an Office on the Wharf Boat, than at any location in the City -

The undersigned would also most respectfully suggest that such instructions might be given to the Collectors at Vicksburg, and all other Ports of Entry on the Mississippi river, as would insure the transacting of all necessary business with the Boats, at any hour, both day & night, that no serious delay might be caused -

They would also suggest, that all practicable arrangements be made at New Orleans, that may exempt Boats from any delay in the discharge of their Cargoes, upon their arrival in Port -

I have the honor to hereby emphatically tender my resignation as Major & Quartermaster in

I do Certify upon Honor that the Steam Boat at Vicksburg,
Miss, belonging to S. S. Butler, altho the property at the time was in
the name of Richardson & Hartigan but virtually belonging to said
S. S. Butler was taken for Government use by Capt A. H. Thomas
A. S. M. for the port of Vicksburg about the middle of December
1862, the Government through him paying me only one
thousand dollars for month for the use of her as a Store Boat
for Government Supplies, at the same time employing me as
receiving Clerk as will be shown by his reports to the Dep't
at Richmond, and do furthermore state that said Boat
was used as such for about 3 months, and while so engaged
without any orders to me to the contrary, she was attempted to be
moved from her regular anchorage in front of the City to a short
distance below by orders of Maj Rich'd Crum A. S. M.,
for the district and in so doing the party invested in
carrying out said instructions, allowed her to get loose
whereby she floated some some 10 miles below the City near
Warrenton, where she was made fast to the Mississippi
shore, and up to that time no word was given by the proper
Authority that she was not still in the Gov't use as
per agreement of Capt Thomas & myself. After her
removal Major Crum Chief Quartermaster told me he
would arrange everything satisfactory to me, and he also
said she was where he wanted her for the use of the Army
stationed at Warrenton, but he being called away from
the City he failed to do so, in the mean time she was
burned by orders of Genl Dutton Comdg, Dep't. Minn.
she said.

I respectfully recommend George Butler
(a private of company Ist of my regiment)
to be appointed Chaplain, & assigned to
my command for duty. I send herewith
a document from the President of Han-
dolph Mason College, setting forth his
capabilities for this position, as well as his
character as a private soldier.
In addition I think I take pleasure in stating
that he has at all times during his mem-
bership with my regiment, evinced a
high degree of morals & regard for his
self. He is just ^{well} recovering from an hon-
orable wound, received in the battle of
Sharpsburg Maryland, & I hope he may be
appointed ^{at once}. We have ^{had} no Chaplain in
the past twelve months.

Dear Sir, In reply to your communication
of the 2nd inst. touching the appointment
of the Rev. George Smith Chaplain of my
regiment in which you ask the question
whether he has become of R. F. Matthews who ap-
pears to have been appointed already. I will
state that Mr. Matthews left the command
in September 1861. long before I became the
Col. & his whereabouts unknown to me
since that time. I believed until the receipt
of your letter that his (Matthews) name
was struck from the roll shortly after he
left at the instance of Col. Purdy, who was
my predecessor. I am certain he intended to
recommand it. I have frequently heard of
him since that time. Mr. Matthews resided his
citizenship in Arkansas in a few weeks after
leaving the regiment & I have evidence well
authenticated that he has not considered
himself a Chaplain since his return to
Arkansas. His conduct was extremely un-
becoming during his connection with the
Army & I trust his name will no longer
appear upon the rolls.

I am, Sir

Very respectfully

Wm. H. Manning

I purchased his copy

Resigned, referred to the War of War.
The Superior Commandant

recommends that Lt
Butler, who is of the
regular army, be
assigned to duty by
the President provision-
ally as Major.

That rank is indi-
cated by the law as
appertaining to the
position of Commandant

and is almost indispensable
to the performance of the
duties.

Lt B. has been filling
this position for some
time, to the satisfaction
of the Commandant for

and merit would be difficult
to replace him in any
other position.

Sir,

I have rec^d a letter from Genl. E. G. W. Butler of Louisiana, stating that his son Lamence Butler is acting in the capacity of Capt. 10th Regt., upon the staff of Genl. Pock. Genl. Butler's eldest son Maj. Butler was killed at the battle of Belmont, nobly discharging his duty. His remaining son Lamence is a young gentleman of education & capacity; & served in the beginning of the war as a private. I have heard him highly spoken of by his acquaintances in the army as a person deserving of promotion. If there is a vacancy on the staff of Genl. Pock, I would be pleased if he could receive the appointment of Capt. 10th Regt., in which capacity he is now acting. I am very respectfully your obt. servt.

Supposed to be a list of prisoners paroled at Albany, Ga. In a letter dated June 1, 1865, Brig. Genl. E. M. McCook states: "The rebel troops, with all public property, in the District of Florida were surrendered to me by Maj. Genl. Samuel Jones on the 10th of May, 1865. The number paroled and already reported is 1200 and will doubtless reach 1500. (Albany, Ga., was included in the District of Florida on the above date.)" - M. & P. 71000.

I propose to Dr. Miller to come off from his Dist a small one for Dr. Hall, or to erect a distinct Bureau, including the salt administration, which ought not to disturb him with its infinite details. If he should apply for a new office, I pray you to send him one of the best in the service on his application - one of tried business capacity. If you can give him any encouraging suggestions, it should be gratifying. We cannot get on without him.

We shall get over the proclamation of Gov. Brown ~~(and a few days before the election)~~ without difficulty, I think.

"L. B. Northrup C. B. S."

I desire to say that on Sept 12th I
advised Maj Locke a letter of which a
copy is herewith enclosed that on 13th Sept
he mailed said letter to You, with a private
letter from himself, endorsing my statement
and recommending the appointment of Samuel

and then replied by telegram as above.

In addition Colonel to what I
have already said in my letter of 12th
Sept to Maj. Leake I may properly
add that I am over-worked. Constantly
engaged days night and Sunday. That
with proper help and system this can
be remedied. The system I once
inaugurated if you will give me the
necessary officers & employees. In
addition to the purchasing department
of 46 counties in the State embracing
a large area (see map of State &
townships of my district) I have charge
of the manufacture of salt, of soap
and candles, of some whiskey and of
the conversion of hops into Bacon. With
all this upon me I have only two
commissioned officers to assist me. I

now spend too much time in my
office to the neglect of out-door
matters both in the City & throughout the
District. My duties are by necessity
too little supervisory in their character.

I need Mr Butler's commissions to assume
full charge of office matters. Money
accounts &c. wait in my stead when
absent from the City. This is really
indispensable. Captain Bacon's services
recently appointed are required in the
County. He is an out-door not an
office man. If Mr B. is not
appointed I shall lose his services and
his post place cannot be supplied.

Without him I shall never be able to
leave the office. The whole purchasing
system is now being inaugurated. all
hands are green and some of the
County agents are very stupid and require

Major J. A. Locke
Chief Commissary
Savannah

Major,

I am assured 30 days in which to procure one person
some one competent to fill the place now occupied by

Butler. otherwise he will be conscripted being a civilian
put into the field under the Act of the late Congress.

I have exercised due diligence and made energetic
efforts for such a person but so far without success.

Men under 25 years of age are already in the service
have employed substitutes. Those over that age and

in an independent circumstances, incompetent or
unwilling to serve. Mr. Butler is my chief clerk

the entire charge of my accounts and moneys. is

highly capable, attentive and faithful and has few

quits in his pocket. my business is increasing daily,

and my disbursements are large. It is an act of palpable

justice to both my securities and myself to require of me

large bond, impose heavy disbursements upon me. Refuse

the selection of a proper agent for these duties and com-

mand me to employ either a civilian above 25 years who

may be incompetent or a disabled soldier whose only

qualification (meritorious or not) is that he has been

...or leg in the service, or sustained some other
physical disability, which renders him unfit for field
service.

Mr. Baxter the present incumbent as I am now
informed is a refugee from New Orleans who has
escaped by Yankee tyranny. He has a large family
and is entirely dependent upon his family
for a meager support. He is physically extremely debile.
As you well know, is at present a martyr to chronic
asthma, and would be discharged upon an active campaign
as totally unfit for service as I believe, in which
there is no doubt you will concur. The position he occupies
in my judgment the most important in my Department
& arguments need not be adduced why it should be properly
filled for the interest of the Government and myself. Some
of the opinions of others from one corner or law which I can
regard as a persecution of the most necessary
interests of the Government (dearer to the Quarter
master and Commissary's) that the Army will not gain
nothing soldiers but that he will pass into the more favored
Engineer's Department to which the law does not apply.
Precedent for the same has already occurred in our city.

If under existing Congressional enactment it is
compatible with the Secretary of War, or A.G. that he be
employed as a Commissary's clerk. then I ask his exemption
as a Commissary's Agent. although this does not meet
the moral duty and judgment. If neither of the

his suggestions he approved why not reward his
work and settle the question at rest by his appoint-

of Captain and assign him to me for duty. The
Government could not I opine make a more salutary
appointment even after a canvass of the entire State.

The Secretary of War.

Richmond Va

Dear Sir I was appointed
Commissionary for Col Stanton's (28th)
Iowa Regiment in vol by the
State authority & entered upon the
discharge of my duty as such
I ended my return of affairs for
August. About the end of
Sept. the regiment took up
the line of march for Bowling
Green Ky. from Camp Illinois in
Saverton County Len but then
and ever changed time and
again one was kept traveling
until yesterday where the wagon
in which my chest which
contains my clothing & baggage
was left. Accidentally some one
bluff of Rodman's River

The wagon was broken to pieces &
the whole load lost my chest
was bursted & the books that
I had kept an account of yours
& on was lost & I swept off
the remainder

am now at a loss to know
what to do about it... It may
be that when I get money enough
to pay off the debt that I can
afford what I afraid but I
cannot possibly certify as to
the number of Antons I spent
during the months of Sept &
Oct. only from the bill of
purchase.

you will please advise me
as to what course I ought
to pursue. I lost some of my
vouchers but will try to cover the
money I need.

If you receive this which
I hope you will direct to me

at Asheville Ten Care of
Monsieur Keith Ho

I can get affidavits to substantiate
what I have stated above.
The officers will also certify
as to the facts...

Yours Sir J. H. Butler

P.S. The Government should not
sustain any loss only the necessary
things that was in the wagon but I
want to know how to settle that
will be satisfactory.

My Dear Sir

I have been requested by citizens of Harrisonburg to represent to you the views of Dr. Wm. S. Butler for the position of Surgeon in Charge of the Hospital at that place. I mention this request as showing that respectable citizens of that town, with better opportunities to know Dr. Butler than I have had, concur in the candid opinion which I entertain. That he is well fitted for the position. I hope I interfere with no routine in giving this testimony.

Respectfully

Yours truly

Dr Wm. A. Carrington, Med. Dir.

Dear Carrington - I arrived here
wounded about - ten days ago,
where I have since been under
the medical treatment of Dr
Surgeon of this Regt. Dr
Butler. Dr. Wm. A. Carrington has
been ordered to some other
hospital, & just the citizens are
thrusiastrically engaged in getting
up a petition asking that Dr
Butler be retained here in charge.
Dr Butler was an entire stranger
to me ten days ago, but he has
been so much more interested
in my case, has paid me so
much more attention, & is in
my opinion so much better
than Dr. Carrington that I would

voluntarily much to see him as
a fraction even agreeable is
having you here. I believe
would give entire satisfaction.

to the sick soldiers & the citizens
in the surrounding neighborhood.
I therefore join the citizens
in their petition, & would com-
mit that he be placed in full
charge of the Hospital if
Dr. Chalmers is removed.

I have received a very severe
wound in the left foot the
ball lodging in the ankle joint.
even if the foot is saved, I
shall be here helpless for months.
I am most pleasantly situated
in a private house by permission
of Dr. Chalmers.

Remember my kindest regards
to your lady & tell Bob he must
come to see me when I get
time. I will be at Richmond

which will not be for a long
time. Truly yours
Wm. H. Gaines.

Butler has been practicing
medicine for 12 years, has
been in service since the war.

Richmond, Va.
November 15th 1864.

In Relation to the Condition and
Engagement of General
Lee's Army.

Sir:

Richmond, Va. November 15th 1864

The following facts having become known to us, since our mutual communication of November 8th 1864, we desire to submit this statement as a substitute for our letter of that date.

With the Hospital administration of Assistant Surgeon Butler, we believe ourselves to be practically familiar and now state such facts only as have been immediately and personally known to us.

We reply to your respective questions, as follows:

Question 5th—Is there an Officer of the Day and Night?

Answer—No order appointing an Officer of this kind, previous to the date of your inspection; we believe the order to have been posted and will be during the period of your inspection. (October 30th)

Question 6th—How often during the day does he make his rounds?

Answer—No round of inspection had been made by the Officer of the Day and Night.

Question 8th—Does Stewart keep a Record of his daily issues?

Answer—There has been no Record of daily issues during the past month.

Question 13th—What are the hours for Roll call?

Answer—Roll call has not been observed.

Question 14th—At what hour is the Diet roll posted in the ward?

Answer—We have never had a diet roll posted in our wards and have never seen one posted elsewhere in this Hospital.

Question 15th—How often has the bedding been changed?

Answer—It has never been changed monthly.

Question 16th—Are the bedsteads boiled at such times?

Answer—The bedsteads at this Hospital have seldom been boiled.

Question 24th. Deposits of latrines; how often removed?
Answer. Since our connection with this Hospital, a period of
over two months, we have had no evidence of any removal.
Question 37th. Is the Steward held pecuniarily responsible for
avoidable losses?

Answer. Assistant Surgeon Carter has reason to believe that the
Steward has not been held responsible for avoidable losses.

We desire to submit the following additional —
Statements —
We have reason to believe that the Hospital Provision
Return is fraudulent in its details. The evidence of this is,
to us, entirely satisfactory.

We are cognizant of the amount claimed to be expended
in the Hospital Fund Statement, but have had no evidence
of this expenditure in the Hospital administration.

On the testimony of the Chief Matron, (Mrs. Haller),
the supplies drawn from the Hospital store room by the
Surgeon in charge for patients in private quarters and for
himself are in excess of the amounts allowed by law; the kind
of supplies, thus withdrawn, being such as are not permitted
for the purposes to which they have been applied.

Very Respectfully,

Your Obedt Servants:

your communication, Nov. 28th. I have been informed by the
Provisional Register in this respect, that the Morning Reports
last, were to have a fair day's notice. Many of the
have, however, been from the day of the day, without delay.
In the case of the day, this is the case. I found that they
were not a very satisfactory state.

The Register is, in many cases, scarcely legible. There
are no Morning Reports earlier than October 25th.
The Morning Reports. I have been informed by the
Chief, Mr. Smith, that the other Morning Reports for the
months of Sep^r & Oct^r were destroyed by the fire.
I have compared the weekly reports for Sep^r & Oct^r
with the Provisional Returns, with results as will appear
by inclosing & tabulating the Provisional Returns and
made for four days.

The results of comparing the Morning Reports for
Oct^r 25th to 31st inclusive, will also appear by
Statement inclosed, as well as the total registered
in each month compare with the total registered
as per weekly reports.

Surgeon W. A. Harrison, Medical Director of
Hospitals in Virginia

We, citizens of Harrisonburg, Va., having learn-
ed that Mr. A. R. Meem, Surgeon in Charge of the
General Hospital in this place, has been relieved
and ordered to report to Mr. Jackson - respectfully
suggest the name of Mr. W. W. S. Butler as an emi-
nently fit successor to Mr. Meem. Mr. Butler has been
for some time past acting as Asst. Surgeon at the
Post, and by his kindness, skill and attention, has
increased himself, not only to the patients under
his immediate care, but to the whole communi-
ty, who have had so many opportunities of judg-
ing of the merits and value of his services. Mr. But-
ler is not only a skilled, humane and attentive
surgeon and gentleman, but moral and above
all, is a sober man. His appointment to the
place of Chief Surgeon, or Surgeon in Charge, would
meet with the cordial approbation of soldiers
and citizens generally, and would conduce great-
ly to the interests of the public service.

a few days ago requesting that the services of
Surgeon Mayson be sent in his Brigade
and that he must be relieved of charge of the
first Infirmary of your Division.

I cannot risk you that a suitable person for
Surgeon Haves' assignment when he shall have
been relieved as Chf. Surgeon of your Div. will be in
charge of this Infirmary. He can be assigned by
you temporarily at once. The services of the Doctor
will be vacated here and the present irregularity
of regimental officers serving on this duty will
thus be avoided.

Very Respectfully
Yours etc

Mr John W. Garrett,

Dear Sir,

It is an advantage of your uniform
courtesy to ask of you the following favors, and
you will doubtless find in my natural
anxiety, a sufficient apology for my urgency in the
premises.

My brother-in-law (Dr) John det Bull, &
my former clerk (Mr James S. Frost) returned
to the city under their private auspices
of the Army of Northern Virginia. It
appears from the publications in the morning
journals that they ought to stay "at their
homes" as mentioned in the previous application.

by General Grant is denied them, under
the legal advice of the Attorney General.
I imagine that appeal for redress upon
this subject would be useless, and I confine
myself to the earnest request that you
would exert your influence in their behalf
merely for a permit to leave the Country
as I can send them to Buenos Ayres, -
in three to four weeks. - In the interim
they could do reports in accordance with the
orders of the military authorities.

Yours very truly,

Baltimore, April 21, 1863

Dear Sir,

Enclosed for you are
a copy of the report of the
Provost Marshal at Baltimore.

The report shows that the
Provost Marshal at Baltimore
has received information of the
existence of a large number of
disaffected persons in the
Middle Department, who are
engaged in various ways in
the rebellion.

This information is of a
very serious nature, and
it is requested that you
will take the necessary
steps to prevent the
spread of the rebellion.

Very respectfully,
John C. Smith,
Provost Marshal.

To Col. Sumner,

My dear Sir,

I have understood that a General Hospital was about to be established here with regular appointments. In that case, I would desire, with a view to increasing my sphere of usefulness, to obtain the appointment of Chaplain to the Hospital, if any such appointment is to be made. I can very well attend also to my sick duties, or the most of them, in this place, tho' I was obliged to give up my Missionary visits into the country. Please to bring the matter before the proper authorities or inform me as to the course to be pursued in obtaining the appointment. Yours truly, Jarvis Bayton

— liked at this place. The services of a good Chaplain — such as I am certain the Surgeon would prove to be — are greatly needed.
